Our new location at Roselea Public School, at North Rocks Road Carlingford has commenced in earnest for all these students who wish to be taught the Greek language and Culture.

"Aristotelis" Greek Language Education appears to be the only school that teaches Modern Greek in the area and classes are already running to capacity. The new location is running two classes, one for primary school children and the other for High School students. The two staff members are fully qualified Primary and High School teachers.

Interested students and parents are urged to contact our administration so that we can make arrangements for additional classrooms and staff for Term 3.

The location operates every Tuesday from 3.45 to 5.15 pm. However, should enrolments warrant it, the school's committee may explore the possibility of operating classes every Wednesday afternoon to cater with the demand.

You may enrol online www.aristotelis.nsw.edu.au or if you require additional information you may contact us via email admin@aristotelis.nsw.edu.au or by calling our office on 1300 76 1213.
